HONOR DAUGHTERS OF MME. CURIE

They Visit Masonic Temple and Christ Church

MET BY DELEGATION

Tea Served at Residence of Dr. Kate Waller Barrett in Honor of Distinguished Visitor

Contrary to expectations Mme. Marie Curie, teh distinguish Polish scientist, was unable to make the trip to Mount Vernon Saturday afternoon and consequently did not come to Alexandria, much to the disappointment of the welcoming committee that had planned to receive her. Her two daughters, however, stopped over on the trip from Mount Vernon aboard the Sylph and they landed at the wharf of the Naval Torpedo Station at 5 o'clock and they were received by a committee of men and women headed by Mayor James M. Duncan and Dr. Kate Waller Barrett. The daughters of Mme. Curie and party were escorted first to the Masonic Temple where Washington's relics were explained by George W. Zachary, tiler, and afterward they went to Christ Episcopal Church, where George Washington worshipped, and were received by Mrs. Morton, wife of Rev. Dr. William J. Morton, rector of that church and the relics were shown the party by Mrs. Dean McIntosh. Tea had been prepared for the visitors at the residence of Dr. Kate Waller Barrett, but owing to the lateness of the hour, the daughters of Mme. Curie were compelled to return to Washington immediately after visiting the temple and church aboard the Sylph The tea, however, was given and attended by a number of guests. In addition to the mayor and Dr. Barrett those on the wharf to greet the visitors were Mrs. Mauchlin Niven, Mrs. Rathbone Smith, Mrs. Barnett, wife of Major Charles Barrett; Miss Nannie Jones, Mrs. McKittrick, Mrs. C. M. Shepperson, Mrs. Laidlaw and Mrs. S. B. Matthews, the last named two of Edmonston, Alberta, Canada.

Members of city council present to meet the visitors were: H. R. Burke, president of common council: Councilmen Downham, Desmond Drury, Ballenger and Fletcher and Alderman Maurice Wilkinson, together with Mauchlin Niven, Major Charles Barrett, Dr. T. Marshall Jones, Commander Harold V. McKittrick and M. H. Janney.

SHERIFF BARBEE "PINCHED"

Sheriff Charles A. Barbee, returning from a motor trip to Washington with his family, was held up in Alexandria Monday afternoon by a traffic policeman for driving over a traffic block instead of to the right. He had been traveling slowly down Washington and King streets at the rate of five miles on hour, he said. The officer very courteously directed Mr. Barbee's attention to his negligence and, warning against a repetition of the offense, bade him proceed on his journey.

Sheriff Barbee was impressed by the courtesy of the Alexandria officer. He expressed his thanks and drove on, without disclosing his identity as a guardian of the law.

"The officer knew I was a green countryman by the mud on my car," he said.—Manassas Journal.

New Troop of Pioneers

Organized at Trinity Church Yesterday With Twelve Members

Alexandria Troop Pioneers No. 4, was organized at Trinity M. E. Sunday School yesterday morning. The boys had met once or twice before and had secured the troop number, but just completed the organization at yesterday's meeting. Twelve boys constitute the troop and Albert Hurshman is the leader.

Mr. Hurshman is employed at the Naval Torpedo Station and has been interested in the Recreation League of the plant. He came to Alexandria from Baltimore where he had extensive Y. M. C. A., experience in boy's work of every variety. He knows boys, is devoted to them and the other leaders of the city will have to hustle to keep pace with the "Alexandria Troop No. 4" with such a leader at its head.

It is understood that Bishop Arnold, another Trinity Sunday School teacher, will taek a deep interest in the new troop and doubtless assist in the leadership of it. The troop will attend the gymnasium class for Pioneers at the Young People's Building this evening at 7 o'clock. The class now has an enrollment of nearly eighty and is as large as the floor will accomomodate.

The members of the new troop are as follows: Albert Hurshman, leader; Charles Potter, age 11; William Schwartzman, 12; Oscar Carter, 13; Frank Petty, 14; Marshall Evans, 11; Louis Petty, 11; Clinton Nalls, 14; Ottis Nevitt, 13; Harvey Struder, 12; Gordon Stone, 13; Marshall Hayden, 12; John Pierpoint, 14. The regular meeting night of the troop will be Tuesday at the Trinity Church Sunday School room. It is probable that the school will provide a club room for the boys at once.

BANQUET FOR 200 FOLLOWS INITIATION

Catholic Daughters of America Initiate Class of Thirty-Five

MANY VISITOR HERE

Mrs. M. R. O'Sullivan Presides—Speeches Made—Dance and Card Party Tonight to Close Affair.

About 200 guests last evening sat down to a banquet in the Elks' Hall given by Court No. 54, Catholic Daughters of America, formerly the Daughters of Isabella. Among those present were a number of members of the order from Washington, Baltimore and various cities in Maryland.

The banquet marked the conclusion of the conferring of the degree on a class of thirty-five candidates. The degree work was under the direction of Mrs. M. R. O'Sullivan grand regent of Court No. 54, and officers of Court No. 212 of Washington and representatives from Courts Baltimore, and Santa Maria, Baltimore, Caton, Catonville, Md., and Bishop Carroll, Upper Marlboro, Md.

At the banquet Dr. E. A. Gorman, organizer and first district deputy of Virginia, made an address. Mrs. O'Sullivan presided and addressed the candintes. Others who spoke were Miss May Boland, grand regent of the council of the District of Columbia; Miss Meehan, grand regent, Catonsville, Md.; Mrs. Mary Cantiwell, lecturer of Court No. 212 District of Columbia; Miss May Ridgeway, of Upper Marlboro, Md.

After an address to the candidates by Mrs. O'Sullivan the affair closed with the singing of "Holy God."

In honor of the candidates a dance and card party will be held tonight in the Lyceum Hall which will bring the festivities to a close.

Hooch Cause of Trouble

Man Loses $42 Gets Pinched and Youth Who Makes Charge Against Police Fined

During the progress of a ball game yesterday afternoon a white man, who apparently got aboard too much hooch, was crawling on all fours beneath the grand stand and also was letting forth lusty yells for the home team. This resulted in a charge of disorderly conduct being made against him and two policemen took him in custody. He claimed he missed his pocketbook containing $42. A white boy in the vicinity also alleged that one of the policemen took possession of his money. This charge, however, he was unable to substantiate in court today and his statement to the court was somewhat conflicting. The man who was accused of creating the disorder admitted having lost $42 but added that he felt confident the officers who arrested him di dnot get it. He was fined $10 and the young man who accused the officer of getting the money was fined $10 and given until June 1 in which to pay the fine.

Same Old Story

Shot By Gun That Was Not Supposed To Be Loaded

Purcell Wallace, colored, living at 1011 Princess street, shortly after 10 o'clock last night, accidentally shot his mother, Maria Wallace. The bullet entered her leg. He reported the affair at once to Police Sergt. Wilkinson and appeared in court this morning and told the court that he found the weapon and did not know it was loaded and placed it on a bureau in his mother's room and while endeavoring to display the weapon it was discharged. He was acquitted.

Y. M. C. A. Notes

The party given the senior class of Alexandria High School at the home of Mr. and Mrs. H. B. Caton was a most enjoyable affair in every respect. The seniors were out en masse and the principal of the high school and senior professors. These together with a large number of the ladies' Auxiliary of the Y. M. C. A., which had the party in charge, made a party of over seventy-five.

The beautiful and spacious lawn was brilliantly lighted with colored lights and Miss Corrinne Reardon began the program of entertainments by calling the senior roll ina most unique fashion. The senior was described and the party had to guess the identity of the person whom the description fitted. In most instances little difficulty was encountered but much interest and amusement was the result of the unusual process.

Other games followed in quick succession until everyone was ready to be seated and motion pictures were then thrown on an out door screen. Beautiful travelogues were shown first and then one of the inimitable "Chaplins" closed the program. Refreshments were then served which consisted of ice cream and punch and home made cakes. It was evidently agreed that the second reception of the seniors of the high school would warrent the continuance of the delightful custom started last year.

A very interesting event took place yesterday when the Pioneer pins were presented to the leader and troop of "Eagles" at the opening of the First Baptist Sunday School. Dowell Mansfield, leader of Eagle Troop No. 5, was first presented with the leader's pin. Then thirteen Pioneers received their official buttons. The program took place before the school, the presentation being made by Secretary Wallace, of the Y. M. C. A.

There will be an executive meeting of the Alexandria Sunday School Base Ball League at the Chamber of Commerce at 8 o'clock this evening. The officers of the league, captains and managers of the teams are expected to be present promptly. Routine and matterns of extreme importance are to come before the committee.

There will be a meeting of the Superintendents of the Sunday Schools of Alexandria at the Y.M. C. A. office Tuesday, (tomorrow) evening at 7:30 o'clock. The meeting will be for the purpose of discussing matterns relating to this year's attendance campaign.

Two Small Fires

Wharf Blaze Early This Morning—At Noon Fire at Packing Plant

The fire department had two runs today. The first alarm was at 6 o'clock when fire was discovered on Aitcheson's wharf between Prince and Duke streets, someone evidently have dropped a cigar or cigarette stump between the boards which caused the blaze.

The second alarm shortly before noon was at the packing plant of Sam Fagelson, on North Washington street extended. Boys had built a small fire nearby which ignited the building, it is reported. The blaze was extinguished before much damage was done.

JAPAN TO QUIT SIBERIA IS REPORT

To Give Back Shantung Says Official

IS UP TO CHINA

Non-Recognition of Celestial Government Said to be Stumbling Block—Military Organ Skeptical

Tokio, May 22.—Japan is to evacuate Siberia and restore Shantung to China "at the earliest possible moment," according to a statement by an official of the Foreign Office following adjournment today of the colonial conference, which has been in session here for the last week.

This, he declared, meant that there would be "no change in Japan's fundamental policy" in the Far East.

The Government has decided not to publish any of the conclusions reached by the conference for the present, but it was declared that the results had been so gratifying that similar gatherings may be held annually to secure co-ordination between the various branches of Government at home and in other parts of the Far East. The conferees included high Japanese military and civil authorities from Siberia, Manchuria, Korea and Shantung and was presided over by Premier Hara. The sessions were private.

While officials generally declined to say whether Japan would take any new positive steps in Siberia and Shantung, declaring that this depended entirely on circumstances, they voiced the hope that China was willing to discuss arrangements for restoration of the province. In regard to the conditions surrounding such restoration they emphasized that Japan sought nothing in exchange, but must have some assurances that Japanese residents and interests in Shantung would be fully protected.

It was added that the absence of responsible authority in China with which to deal was the reatest handicap.

The impression prevails in Tokio that Japan has actually inaugurated negotiations with the Chinese Government, though for the moment there is a question as to the recognition of that government.

Meanwhile the leading Japanese newspapers insist that Japan will withdraw her troops from the Shantung railroad to Tsing-Tau without awaiting China's acceptance of Japan's standing offer to open restoration negotiations. Itis declared this withdrawal will be carried out with an aim to hastening arrangements for the actual relinquishment of the province to China.

The newspapers also declare the Government is arranging to evacuate the whole of Siberia, with the exception of the points in Saghalin province, which were occupied because of the Nikolaievsk massacre.

The Kokumin Shimbun, the military organ, attacks the Government which it says is trying to create the false impression that it will establish a constructive policy in Siberia by withdrawing its troops. It says the military leaders are fearful that such an evacuation will lead to anarchistic conditions inimical to Japan and the other powers. The newspaper also reports that Japan is to make a loan to the Chinese Eastern Railway.

Crashing of Horn Through Glass Gave Rise to Report Yellow Bus Line Fired On

The horn of a jitney car of the Yellow bus line, operating between this city and Washington, crashed through the front glass windshield while the car was proceeding to Washington with six passengers at 10:30 o'clock last night, and it gave rise to the report that someone had fired at the car. The car was in charge of one of the owners, Patrick Lawson, Jr. A report that the car had been fired upon reached the police a short time after the affair. At the time the horn crashed through the glass windshield, the car was in the vicinity of Johnson's Hill Arlington county.

Save Jamestown.

Jamestown Island, the site of the first permanent English-speaking settlement in America and the cradle of the Republic, is in danger. Mrs. Louise J. Barney, the owner of the Island, says that she cannot afford to keep it up as it should be preserved and Senator Willis of Ohio has introduced a resolution in Congress providing a commission to fix its value with a view to its purchase by the United States Government.

Jamestown is the birthplace of the nation. On May 13, 1607, Captain John Smith and his courageous band landed upon its fertile soil from the Godspeed, the Susan Constant and the Discovery. The next day the Reverend Robert Hunt, under a sailcloth suspended from trees, held the first religious service of a new Christian people. It was at Jamestown that the first two jury trials on the new continent were held, that the first legislative assembly met, that the first colonial constitution was drawn up, that the first resistance to taxation without representation was made. It was on this historic bit of soil, too, that the first recorded American wedding was solemnized, the first burial and the first baptism. Here Pocahontas was baptized into the faith of the "pale faces" and here she married John Rolfe.

And now there remains of all this glory that was the beginning of a great, free people, only a few fragments, the old church tower, the old state house, some old foundations and a few gravestones.

To Virginia, the Mother of Presidents and the Mother of States, Jamestown is holy ground. And if as Senator Willis says in his resolution it now "remains subject to the vicissitudes of prviate ownership, the temptations of money-making enterprises and the physical destruction of the erosive agencies of nature," it is a matter of grave concern to the Old Dominion. To save Jamestown is a battle-cry that will find a ready response in the hearts of all Virginians.

PRAISE POLICE

(Communicated)

To the Editor of the Gazette:

Dear Sir:—As a participant in the Sunday School parade held in the city of Alexandria the afternoon of Sunday, May 22nd, permit me to say, that great credit is due the police force of Alexandria for the superb manner in which they protected the children in the line of march from accident from automobiles or other vehicles. I am sure I could voice the sentiment of all law abiding colored citizens of Alexandria, when I say, such protection is all that can be desired from any people. All praise to our police force and may it continue to manifest such interest in the citizens of our city that we may always feel that the police force of Alexandria is second to none in the United States of America.

SPORTS

The Triangle Sport Club defeated a strong West End team, composed mostly of men, on Baggett's field, yesterday, by 12 to 10. Blunt and Smith twirled for the T. S. C., with Sullivan and Clime receiving. Thompson and Gilroy held the mound for the losers with Jamison catching. This was a hotly contested game.

The T. S. C. was scheduled to play the George Mason High and this afternoon.

In the week end engagements at the Dreadnaught baseball park, the locals turned the visitors back mastered contestants of the old game. Score of Saturday's game: Dreadnaught, 10; Army All Stars, 1.

Sunday's game, Dreadnaughts 8, Bolling Field, of Washington, 0.

Alexander twirled summertime ball in both games and in the contest with the aviators allowed but three hits and retired 16 at the plate. The "D's" all batted well and Dever's home drive with two on was the stunt that featured Sunday's game.

The infield, Dreifus, Devers, Williams and Degnan were an attraction themselves for they formed a stonewall around the bases and made the hardest of them look easy. Baseball critics class this infield as the best outside of professional ball, and without mishaps should develop into one that can't be excelled anywhere in the country. Degnan played well, but Devers and Dreifus were exceptional, while Buddie Williams was doing service all over the lawn.

The outfield, Frazier, Giles and Strunkle played stellar ball keeping 'em all off the grass. Giles was full of pepp and the nifty way he covered ground put life in the game. Frazier and Strunkle, too, sprinted about the lawn like seasoned players and prevented would-be calamities.

Ludlow received both games in the absence of Heitmuller and filled the bill faultless. Out of his regular position he does well and in short he didn't lessen his reputation as one of the best all round players in this vicinity.

The Dreadnaughts propose for the remainder of the season to furnish Alexandria fans a class of baseball that's creditable of any club and each visiting team they play will be required to have a record that entitles them to a chance to play in fast company.

Baseball is regarded as the national pastime. It affords recreation and amusement for thousands of the working class, and if conducted orderly, furnishes the cleanest type of entertainment that can be offered. Those interested in the community's welfare, can help preserve this harmless sport by assisting the Dreadnaughts in ways they can and by attending their games.

The Cardinal Athletic Club baseball team visited the Knickerbocker Athletic Club nine in their "Hollow" home, in Georgetown, Sunday. The Cardinals lost to the Knickerbockers (see morning papers for correct score.)

Fisher, the "Knicks" pitcher, was hit hard by the Cardinal sluggers—twelve long flies were captured by the outfielders from the Cardinals' bats. Their outfielders only had one error charged against their crew while the Cardinal outfielders made five errors that helped to increase the Knickerbockers' score.

While the Cardinals played excellent baseball at times, a few bad innings offset their good work.

An immense crowd attended the game—about five thousand and they surely did root for the Knickerbockers to win. While their sarcastic remarks annoyed the Cardinal players at times, nevertheless the Cardinals were theer to win the game if possible to do so in an honorable way without asking favors from the rival team or their large following, even if they did have a five thousand to almost nothing majority of loyal roters in their favor. The Cardinal clan had no fear for them and treated them with contempt by not noticing intended slurs.

The Knickerbockers will play the Cardinals a returin game in Alexandria, Sunday, August 14, and it is hoped when they play here that the baseball fans will treat them with every courtesy and not use harsh terms to help the Cardinals to win the game. The Cardinals would rather be "swamped" a thousand times and would quit the baseball games for all time before they would resort to foul tactics to defeat an opponent in an athletic contest for fake honors In many instances students have resorted to unfair methods to pass educational examinations in schools and colleges to gain supposed "honors," but when they were put to the test in after years they could not deliver the goods, so to speak, and their deception was exposed. The same can be applied to baseball players who are anxious to succeed in the many vocations helpful to their success during a lifetime.

Triple A's added another victory to their list when they defeated the Eminines of Washington, yesterday.

Sensational fielding done by Snider, Desbrow, Hodges and Walters, Quayle, Walters, Snider and Anderson leading in the slugging.

Follow the Triple A's for baseball every Sunday on the Shipyard grounds.

The A's journey to Fredericksburg Wednesday to stay the crack team of that city. A good time awaits the fans who go with them.

MRS. DAVIS AGAIN WELL AND HAPPY

Richmond Woman's Gratitude is Unbounded Toward Tanlac For Restoring Health

"Tanlac has certainly brought health and happiness in our home," said Mrs. R. L. Davis, of 308 North Twelfth street, Richmond.

"At the time I began taking Tanlac," she continued, "I was in despair of ever finding anything to do me any good, but now I am in splendid health and Tanlac is what did it.

"About sixteen months ago I began having trouble with my stomach, and four or five months after that my whole system just seemed to go wrong. I don't believe anybody ever suffered worse than I did from indigestion. I also had splitting headaches and blinding spells of dizziness and was so nervous even the noise made by the children playing would upset me. I was confined to my bed for three months, unable to bend my knees, with rheumatism. I just lost faith in anything helping me, and it looked like my end was near.

"Well, a friend prevailed on me to try Tanlac, and after taking it a while I began to feel better, so I kept it up till now the last one of my troubles is gone. My appetite is fine and my digestion seems to be perfect. I have gained twelve pounds in weight. I haven't a trace of rheumatism or a pain of any kind left and, in fact, I am so well and happy that my gratitude toward Tanlac is unbounded."

SOUTH SEA ISLES YIELD TO MOVIES

Chicago, May 21.—The glamor and romance of the South Sea Isles has failed. The spirit of the South Pacific as interpreted by Robert Louis Stevenson and Jack London has vanished.

"Long pig" has been succeeded by supreme of guinea hen. The primitive war dances have yielded to the toddle. All of the boomerang throwers have gone with the circus and the movie theater has encroached on the jungle.

Such was the impression given today by W. D. Boyce, publisher and traveler, who has just returned from a six month tour of the South Sea Islands.

"All these places are pretty well settled now," he said, "The only place where you can get a thrill is in New Guinea. But headhunters and cannibals—well, teh yexist only in fiction. The last man to serve as "long pig" to the Fiji Islanders was a mining engineer named McCarthy. You see, they thought his boots were a part of him and they cooked him, boots and all. And after trying to eat the boots, they scratched "long pig" off the menu.

"The only savages I ran across were some I. W. W.'s who were on trial on Queens Island for shooting six policemen."

SPOONING RECOGNIZED AS SUMMER PARK SPORT

Kansas City, Mo., May 21.—Love making in Kansas City parks was officially recognized as legitimate summer sport in an announcement today by Chief of Police Edwards. The policy of the Police Department will be to let love alone, the chief said.

"Police officers," he added, "have something more to do than to clear park benches of boys and girls making love."

(Continued from page one)

ances first then call on those you do not know.

Just tell them you are trying to win one of the automobiles to be given away by the Gazette and ask them to help you by giving you their subscription.

The two hustling members finishing respectively with the first and second largest number of credits at the close of the campaign will each be awarded a five passenger Ford touring car. All other members will be paid ten per cent cash commission on all new subscription money turned in during the campaign.

To join the club and share in the prizes, all that is necessary in order to get started, is to clip out the nomination blank in the big display advertisement in this evening's paper and send or mail it to the contest manager Gazette Office. The necessary supplies will be furnished free.

As Briggs, the cartoonist says, Wouldn't it be grand and glorious" to enjoy the comforts of your own automobile these hot summer evenings? Think of the trips you can plan and the good times you can have.

Others perhaps prefer the cash commission and can have a nice little check coming by July 2nd if they start right in today and make the most of their spare time. No one is going to devote all of their time and that is the beauty of the proposition. You have been wanting a car—here is your chance to get one. "Mr. Opportunity" is knocking, let him in.

According to one of the Ritchie brothers, 3 young men named Lovell a Richardson and Ryon told him that last night as they were returning from a dance they heard a window in the store being raised and saw some body moving about inside the store with a flashlight.
